

6th Grade Flow Chart Winter to Spring-ISIP				
Step 1	<p>Write each student's name on a sticky note indicating his or her level or tier based upon the Overall Reading score (pink for intensive, yellow for strategic, green for core, and blue for above core). <i>Use the ISIP Summary Report. If a student has an overall reading score of 2167 or above, write his or her name on a blue sticky note. If a student has an overall reading score between 1995-2166, write his or her name on a green sticky, and so on for yellow and pink.</i></p>			
If...	1885 or below Pink sticky note	1886-1994 Yellow sticky note	1995-2166 Green sticky note	2167 or Above Blue sticky note
Step 2	Sort Sticky Notes by CMP <i>Sort the sticky notes into two piles by Lexile. If students have a 925 or above Lexile, place their sticky note in a pile on the right. If students have a 924 or below Lexile, place their sticky note in a pile on the left.</i>			
	924 or Below Lexile 		Follow the sort on the left or right	925 or Above Lexile 
Step 3	<i>Place students that have a 1977 or below on SPL in Group 1</i>	<i>Place students that have a 1978 or above on SPL in Group 2</i>	<i>Place students that have a 140 or below on TF in Group 3</i>	<i>Place students that have a 141 or above on TF in Group 4</i>
	SPL 1981 or Below  Group 1	SPL 1982 or Above  Group 2	TF 204 or Below  Group 3	TF 205 or Above  Group 4
	A1	A2	Cross check with weekly assessments (80% or above for Group D) and Lexile scores (Group C: 925L-1070L, Group D: 1071L or above).	

These are guidelines for using ISIP data. Use your professional judgement and other data sources to place your students in groups that best meet their needs. For step 2, follow the sort on the left or right to begin with. For example: If a student is strategic (yellow) with their overall reading score and has a score of Lexile of 925, you would place the student on the right side of the chart. Then, if the student has a 1970 on SPL, you would still place them in Group C due to the high Lexile. However, you could check TF and other assessments to ensure correct placement is group C and not group B.
