PRESIDENT'S CORNER

Hello Everyone ~

Those of you in the North building are experiencing many elevator issues. Be assured that we are working closely with Oracle Elevator to rectify the issues in a timely manner.

I want to thank all of you for your patience and cooperation with the garage. Please know that as soon as it is safe to open it again, we will!

It is hoped you all are enjoying your Summer! See you soon!

Happy Fourth of July!

Dear Homeowners:

I am writing to ask for your cooperation ~ In an effort to control the contractors and vendors at Creciente. We need your help! As your documents state ~ a contractor or vendor that you bring to your home for any reason becomes your responsibility. That means in plain English that if they do any damage you are required to pay for it.

The office needs to be aware of who is here ~ please have your contractors check into the office every day! Although the office informs all contractors about the elevator pads along with the interior common area hallway, your help in informing them prior to their visit will ensure they are prepared to work at our facility.

If we all work together, Creciente will benefit greatly! Your home here is a beautiful place and we all need to help keep it that way!

Thank you, Justine Preston

In observance of the fourth of July, the office will be closed and your staff will be off.

A reminder to please be patient and understanding with regard to the parking situation.....The project is nearly half way through, just a little while longer!

The next scheduled Board of Directors meeting will be held on

Tuesday, July 18, 2017 at 9:30 am in the South building's Social Room.
