

ESCAPEES – GOLD NUGGET CHAPTER 24

July – August 2019 NEWSLETTER

President's Report

Hello Gold Nuggets,

Happy Summer!!! Here in the foothills, summer has really pounced on us after the extended spring and rains. We went from using the pellet stove to turning on the air in less than 3 weeks.

The good news is this is better weather for rallies. And speaking of rallies our last two, Vacaville/Vineyard in April and Lodi/Flag City in May were well attended. Everyone seemed to have fun. There certainly were lots of laughs and smiles. I want to sincerely thank the Reeds, (with the Peters help) and the Johnsons (the Fridays, too) for making both events memorable.

By the time you receive this the June gathering in Yuba City will be over. It looks like it will be typical for June with very low attendance [so the outing was ultimately cancelled]. July and August will again be the McCloud and Quincy locations.

McCloud will be no-host, so all attendees will need to bring ideas and food to share. The Trimmers are hosting Quincy. Barbara has shown me a draft of the agenda; she has some fun ideas and a very interesting tour planned (already!).

The Board is working to fill the slate of Officers for 2020. We will vote on these in September.

Last, we are always looking to welcome new members. Please think about your friends who RV and the people you meet in your travels. Invite them to come to one of our rallies. Our Bylaws allow visitors to come to three rallies before joining. Charlie Messer has brochures and membership information that you can share with prospective members.

Life is better with an RV

See you soon,

Jackie Friday

Sunshine Report

Members were shocked to hear of the sudden passing of Ralph Squire. Our thoughts, prayers, and sympathy go out to Jini and her family.

Else Woods is returning home after 2 months of rehab following surgery for a hip replacement and ligament repair.

Marilyn Johnson is receiving therapy for hip pain.

Please remember to let Marilyn Johnston know about illnesses, hospitalizations, travel, etc. so she can share the information with the group and respond accordingly.

Between the Lines

If you're traveling..... send Vicky Mount updates on your travel so Chapter 24 members know where you've been, where you are, where you're heading. Find a great RV park???? Let's share.

Bob and Gerry Peters and Jackie and Mel Friday checked into Black Oak Casino's RV park last Sunday and reported back that it was a very nice park. George & Bev Boykin were up in Wells, Nevada helping out Steve and Nancy O'Bosky (Escapees Christian Fellowship) at their RV park called "Welcome Station RV Park" (www.wsrvpark.com) after Steve fell from a ladder and was injured.

Steve and Cindy Blanchette and Don and Delores Johnson enjoyed a trip up to Winchester Bay, Oregon. They posted some terrific pictures of the RV park, their tour of the Coast Guard Station, the amazing carvings at the Oregon International Chainsaw carving competition, Florence, OR and the Wildlife Safari Adventure Park tour in Winston, OR.
