

Our Response To COVID-19

We know it's been a long road for you and your dog, and we are so grateful you are still here with us. We have been counting the days until we could get your dogs sparkly clean and get them feeling like their old selves.

We are excited to announce that day has finally arrived!

Starting May 4th we will be open again and accepting new appointments.

We're taking all the recommended precautions to keep you safe and healthy.

Here's What We're Doing

- Thoroughly cleaning and disinfecting the salon and will continue to do so on a daily basis.
- Our employees will be wearing masks.
- Maintaining social distancing.
- Only allowing one client in the salon at a time.
- Offering payment by phone.

What You Can Do To Maintain a Healthy Environment

- We encourage you to drop your dog off either right inside the door or come down the stairs and tie your dog's leash to the canine hitch at the bottom of the stairs.
- Wear a face mask before entering the salon.
- As much as we want to catch up with you, we ask that you make your check-in and check-out timely as to limit contact with each other.
- Please wait for a phone call from us before coming to pick your dog up.

To schedule an appointment, call us at 952-303-3988 or email at muttypawsgrooming@live.com
