## PHEASANT VALLEY FARM NEWSLETTER

### Kick-Off Pig Roast/Chukar Hunt For Training Customers

To kick off the season we are having our annual hunting/social event on Sat. Sept. 24. This event is only for our training customers, meaning anyone who has ever trained with us. There will be six different hunting areas with seven different start times. Hunts will last approximately 1.5 hours with the first hunt starting at 7AM. I will try to accommodate specific start times if possible. We would like 2-4 hunters per hunt with a minimum of 3 chukars per hunter stocked. As always we will not combine groups. The intent is to do smaller, shorter hunts with the possibility of hunting multiple times throughout the day with breaks in between hunts. Lunch will be available from 10-3 at a cost of \$10 per person which will include roast pig and several sides. All hunts will be billed at \$12 a chukar. We will have plenty of chukars on hand so that hunts can be modified due to weather conditions and dog & hunter stamina. Our goal is to have a low pressure, fun event for everyone. All scheduling will be done through Mark's email: [mark@pheasantvalleyfarm.com](mailto:mark@pheasantvalleyfarm.com). Start times will be 7:00, 8:30, 10:00, 11:30,

### Upcoming Events:

Top Dog Challenge at LVHFE on Sunday 8/28.

Preserve Season Opens: Mon. Sept. 5

Chukar Kick-Off Hunt Sat. Sept. 24

Youth Hunt Sat. Oct. 8

Women's Hunt Fri. Oct. 14

### PVF is hosting our 12th Annual Youth Hunt Saturday, October 8

Since we opened for business, we have been hosting a youth hunt to introduce youth to the sport of pheasant hunting in a positive and safe manner. Youth hunters ages 12-16, that have completed the hunter education course, are invited to participate at no cost to them. All participants will receive safety instruction, clay target practice, a guided pheasant hunt with an experienced bird dog and good food & drink. We ask that youths only participate in this event once so we can introduce more juniors to this sport. This event is sponsored by PVF, Cabela's, Lehigh Valley SCI, and local sports clubs. Pre-registration is required, contact Mark using the email listed below to receive the registration form.

### Lehigh Valley Hunting and Fishing Extravaganza

What is arguably Pennsylvania's most innovative outdoors show heads into its eleventh season August 27th as the Lehigh Valley Hunting & Fishing Extravaganza opens its gates for the two-day, activity-packed Extravaganza at Kempton Fair grounds in Berks County for more information go to [www.lvhfe.com](http://www.lvhfe.com). PVF is hosting the Top Dog Challenge which is a timed event to see how quickly your dog can find live birds in the field. The event will take place on Sun. Aug. 28 @ 9:00AM; register your dog on Sat. at the PVF booth. Your entry gains free admission to the show on Sun. We will also be giving bird dog training seminars, @ 11am and 4pm Saturday, and 1 pm Sunday. In the seminar we will discuss basic field obedience and introducing dogs to birds and gunfire. A short infield demo will follow.

### Late Start/Twilight Hunts

Our late start/twilight hunts were well received in the spring. Therefore, we would like to offer these again this fall so hunters can take advantage of cooler temperatures in the evening without taking time off from work. This will allow more hunters to utilize the weekday special pricing. Small game hunting is allowed until one half hour after sunset.

### 7th Annual Women's Hunt

We will once again be offering a Women's Pheasant Hunt on Friday, October 14. We offer this event in an effort to encourage more women to participate in pheasant hunting. Safety and shooting instruction, lunch and actual in field bird hunting are included in the day's events. This is a non-profit event. Therefore we solicit donations from businesses and organizations to defer costs. If you are interested in making a donation or registering a woman for the hunt please contact Karen at [karen@pheasantvalleyfarm.com](mailto:karen@pheasantvalleyfarm.com).
