

Please join Lemont Township by sponsoring a garden path to support the ongoing beauty of the Heritage Woodland Sanctuary.

The Sanctuary provides 59 acres of restored habitat including prairie, savanna, wetlands, and woodland. Visitors can walk the trails and easily view over 100 species of native trees, wildflowers, and wildlife.

The garden paths are small areas of land formed where trails intersect. These intersections create a focal point for visitors and the opportunity for our Sanctuary to really stand out with well-maintained and attractive plantings and flowers.

As visitors enjoy the beautiful nature on our scenic trails they will see your business' sign; it will serve as an advertisement for your company and visitors will know and appreciate your support of the Heritage Woodland Sanctuary!

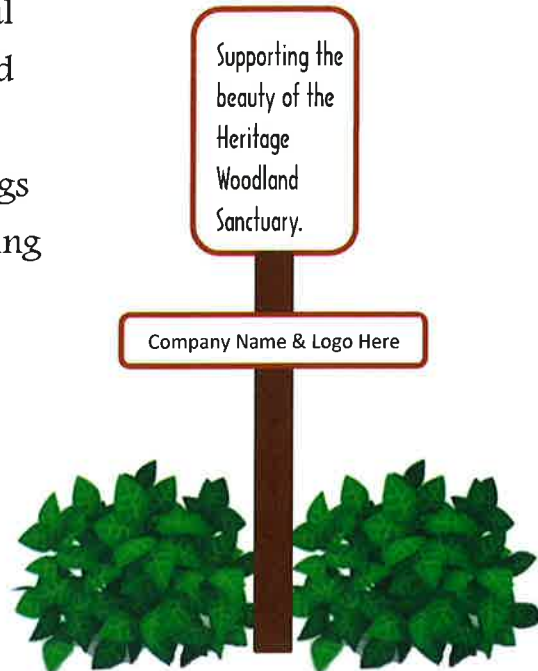

The sign will look like this

With your sponsorship you will receive a metal nameplate featuring your company's name and logo on a wood post. Sponsorships are on a yearly basis and we take care of all the plantings and maintenance. You don't need to do anything except take a walk on our trails and see your support.

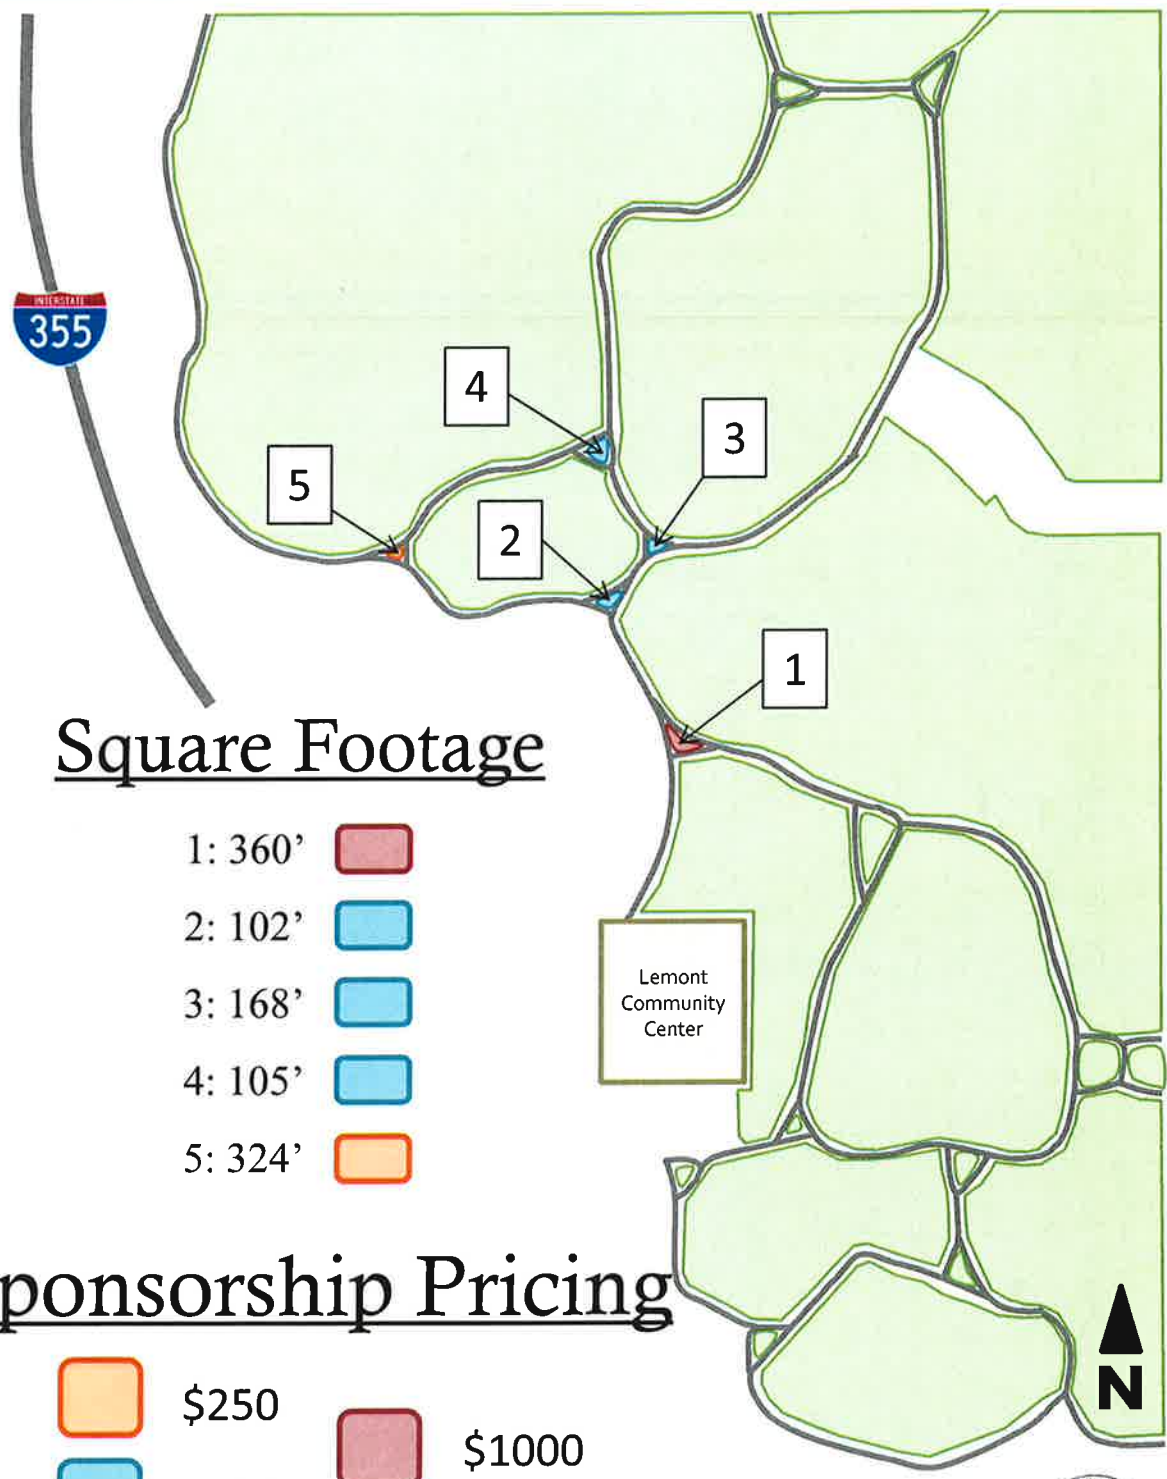

Please see the next page for pricing, garden path location, and additional information.

For more information please contact Kathy Henrikson at 630-863-3411 or Mike Pensinger at 630-754-7580. Thank you

for becoming a sponsor and doing your part to beautify our little corner of Lemont!
