Blueprint for Success 4 Week Teen Success Workshop |SUGO

Dear Potential Sponsor:

Stars United Global Outreach (SUGO) is excited about our annual Blueprint for Success Teen Success Workshop. The workshop will start on July 9, 2019 at the Betty Warmack Library in Grand Prairie, TX. This letter of invitation is sent to distinguished companies and organizations like yours, to participate in this spectacular event as our valued sponsor. We are providing opportunities that will grant 30 children the opportunity to build their self-confidence, self-awareness, and self-esteem while gaining knowledge in areas focused on leadership development.

The Blueprint for Success Teen Success Workshop overall mission is to develop, educate, and mentor at risk and underprivileged children for the 21st Century. The SUGO Team is passionate about the impact mentoring has on the lives of children, their communities and the organizations they transform. This workshop also gives youth the opportunity to speak out and express their feelings without fear of being judged. They can connect with peers who may be in similar situations, allowing them to share ways on how they cope individually; regardless of their backgrounds. In addition, students will learn the importance of teamwork, gain real-world leadership insight, and acquire the essential leadership skills they need to persevere and succeed in their academic and professional careers.

We invite you to promote your company and share your vision with this unique group of children and their parents by partnering with us for this year's workshop. By becoming a sponsor and partner you are not only supporting greater educational opportunities, empowerment, and development for young men and women, but you are also building recognition as a supporter of your community.

Your organization can participate at various levels of giving. The sponsorship package will provide details about sponsorship and advertising opportunities. Please be mindful that the due date for the sponsorship is Monday, June 24, 2019. If you have questions or need additional information, you may contact us via email at director@starsunitedglobaloutreach.org, on our website at www.starsunitedglobaloutreach.org, or via phone at (214)702-9439. Thank you for your time and consideration. Again, we welcome your partnership and look forward to your response.
