

Connect with Hiddenbrook!

We are excited to announce the launch of the **Hiddenbrook Mobile App** to help you stay updated and informed on important community announcements and events.

Some of the exciting features included on the app are:

- 1) **Announcements**- stay current on important activities and events in the community
- 2) **Notifications**- receive alerts related to the pool, community events, emergencies, and general announcements (you choose the alerts you wish to receive)
- 3) **Calendar**- shows all the upcoming neighborhood events
- 4) **Pool Pass**- allows you to register for your digital pool pass. Once approved and your set up has been finished, just provide your name or address to the lifeguard and never worry about forgetting or losing your pool pass again! Parents: you can also add your kids to your account. **PLEASE NOTE THAT BOTH OWNERS ON AN ACCOUNT (Example Husband & Wife) MUST USE THE SAME USERNAME AND PASSWORD TO LOG INTO THE POOL PASS PORTAL TO USE AND ACCESS THE ENTIRE FAMILY'S PASSES.** Once a pool pass owner is submitted online, management will approve your family's enrollment and then all additional pool pass family members may be added.

To download the app, go to the Apple App Store or Google Play Store on your mobile device and search for “Hiddenbrook.”

If you have any questions or comments about the app, please contact Sequoia Management Company, Inc. at shannon@sequoiamgmt.com or cmiller@sequoiamgmt.com.
