Owner Release and Arizona Puggle Rescue Policy Statement

Please understand that you completely relinquish ownership and ALL RIGHTS to this animal when you surrender it to Arizona Puggle Rescue, Inc. ("APR"). By no means does the completion of this form guarantee that APR will accept your pet into the rescue. Taking in your pet will be based on availability of fosters, health and temperament of the dogs, as well as the location of the pet.

All animals surrendered to Arizona Puggle Rescue, Inc. ("APR") will be examined by a veterinarian. It is the policy of APR to give each appropriate Puggle (or other animal) every possible chance for a loving new home. However, any Puggle (or other animal) who is found to be suffering from an incurable disease that may compromise the quality of the pet's life, or who demonstrates biting, snapping or aggression towards people, or who exhibits severe and unreasonable aggression toward other animals, or severe behavior problems which render him/her unadoptable, will be euthanized. Euthanasia is a humane method of putting a creature to death by a painless injection of sodium pentobarbital.

I warrant and guarantee that I am the owner of this dog and have good title to same. I further warrant and represent that this dog has never bitten me or any other individual and I understand that Arizona Puggle Rescue, Inc. is relying upon this representation.

INTAKE FORM - OWNER TURN IN

Following are many detailed questions about your dog, its likes and dislikes, its health, and its temperament and personality. We do not ask these questions to screen your puggle out, but so that we will be able to do the best job of finding them a perfect match with the families that are awaiting a puggle. Also, the health questions will enable us to make sure we know what your puggle needs, whether it is spaying, neutering, routine inoculations, or testing for more serious health issues. Please answer all questions truthfully as your answers have no bearing on us accepting your Puggle into the rescue.
