- **What kind of program is planned?** During your HOBY Leadership Seminar, many dynamic leaders—all volunteers from the fields of business, education, government, and other professions—will address aspects of our changing world and the challenges future leaders will confront. The program will not promote any specific political party, religion, or way of thinking; but is designed to develop critical thinking skills by actively involving participants in discussions and informal debate. During the seminar, you will be asked to undertake a community service project(s) involving at least 100 hours during the year following your seminar, to make a difference in your school, community, place of worship, or other environment where you see a need. The program also includes outstanding speakers, leadership activities, social events, and a special closing ceremony to which your parents are invited.
- **What are the accommodations like?** Participants will be assigned to dorm rooms with four participants per suite on floors reserved exclusively for the seminar. Students will need to bring a pillow, bedding (for a twin size bed) or a sleeping bag, towels, and toiletries. The seminar will be chaperoned by qualified adults who will be staying at the facility 24 hours a day.
