

Christmas Village Thursday, December 12, 2019

Baltimore MD, Inner Harbor

Christmas Village is a combination of an outdoor and indoor Holiday Market modeled after the traditional Christmas Markets in Germany such as the famous Christkindl Mkt in Nurnberg.

Vendors in more than 50 booths will sell traditional European food, sweets and drinks. They will also offer a great shopping experience with a large variety of international holiday gifts, ornaments, jewelry, high quality arts and crafts, as well as a great selection of authentic German foods.

The outside area will bring the original Christmas Village charm with its traditional German style wooden huts. In addition a huge heated festival tent will create a Christmas-like shopping atmosphere with more vendors as well as a food court. Featured in the heated tent is Kathe Wohlfart, Germany's top Christmas ornament and décor company, reflecting traditional German handcrafts for over 50 years.
