### **CONNECTICUT SPRING IN-WATER BOAT SHOW ANNOUNCES 2017 SHOW DATES**

**Essex, CT (January 10, 2017)** The [Connecticut Spring Boat Show](#) will be held **Friday, May 5 - Sunday, May 7 at Brewer Essex Island Marina, 11 Ferry Street, Essex, CT.** The show is a production of [Windcheck Magazine](#) and is sponsored by Brewer Essex Island Marina, Essex Boat Works, and the [Yacht Brokers Association of America \(YBAA\)](#).

Boats varying in size from 20-75ft will journey into the Essex, CT harbor attracting interested boat buyers from Connecticut, New York, Rhode Island and beyond. The inaugural show held in 2016 brought in over 2000 attendees. “The CT Spring Boat Show has everything that a prospective boat buyer wants. New and pre-owned sail and power boats all in one beautiful location. Local vendors, suppliers and seasoned marine professionals are most notable at the boat show. Boat Shows are more about people than boats. We are a service industry first and foremost. People who come to the show will be able to see the boats at the show but the years of experience and boating knowledge of the exhibitors is far and away the best product at this show”, says Matt Leduc, Yacht Broker with Latitude Yacht.

Brewer Essex Island Marina is located on a 13-acre private Island, accompanied by a complementary ferry service, and offers 125 slips accommodating vessels up to 200’. The resort marina is family friendly and the popular Marley’s Café will be open for the weekend.

Visitors attending the free show will enjoy seeing a wide range of new and brokerage, power and sail models. Boating gear, accessories and service companies will also be on site.

[Sails Up 4 Cancer](#), a non-profit organization based in Connecticut will be on site raising money through food and beverage sales to benefit their organization. SU4C has been dedicated to supporting cancer care, education, prevention and research along the Shoreline and Southeastern regions of Connecticut.

**CT SPRING BOAT SHOW:** The CT Spring Boat Show features some of the newest boats on the market including center consoles, fishing boats, luxury cruisers, sport and sail boats.
