Happy Holidays!

Dear Eastlawn Families:

As we enter the holiday season, I just wanted to take a moment to thank you all for your continued dedication to help make our little cemetery a vital part of the community. I would ask that in the spirit of this holiday season, if you are able, to send me any updates to the contact information for your lots so I can keep everyone as informed as possible about any changes that might be in the pipeline in the future, and please continue the exemplary care you and your loved ones have been providing to your individual lots.

As you may know, I took over the day-to-day operations of the cemetery this past February, and I have tried to keep things as Linda had them while I have undertaken some internal improvements. I am hoping to improve a few things and make it easier for families to have their requests and suggestions heard more effectively. I am also hoping that with your participation and approval, we can start to make this small neighborhood cemetery more integral to community events. I am truly honored and happy to serve you in this position and I aim to provide the best possible service that I can to you and your loved ones.

As we move through the new year, please be aware that all holiday decorations will be removed by January 15th 2019. This date may vary depending on the weather. If there is anything you would like to keep, please remove it prior to that date and place behind the shed. If you have any further questions or concerns, please call or text me at 610-566-4278 or email me through the website eastlawncemetery.org or directly at Manager@eastlawncemetery.org

Have a wonderful Holiday!

Sincerely,

Sarah McCarthy
