## Parents Consent Form

Here at Games For Us it is in our best interest to make sure the parents are aware of the games their child is purchasing from our store. This form is to allow Games For Us permission to sell certain rated games you have selected to be appropriate to your son or daughter. This form will stay on file until the child reaches the age of 18 unless otherwise instructed by you the parent. With the parents consent form you can trust that your child will only be allowed to purchase games with ratings that you have selected appropriate. It is important for the parents to understand what the ESRB ratings are. There are many games a parent may find suitable and consider not violent or disturbing. Example: Call of Duty, Halo, and Grand Theft Auto, these are 3 of the most popular games. These games vary in ratings from **M(mature)** to **T(teen.)** We recommend you visit the ESRB website so you can compare the games most commonly played by your child and check the ratings. The form must be signed and brought back by a parent or guardian. If you have any questions, please feel free to call us anytime.
