BOWLING

FOR THE BOYS
CHARITY & FUNDRAISING EVENT

Dear Community Partner,

It is a pleasure to have you consider partnering with our organization. I am writing to invite you to be a part of **Bowling For The Boys**, taking place on Friday July 12, 2019 at AMF Bowling in Margate, FL with special guests, Calvin Ridley, of the Atlanta Falcons and his younger brother Riley Ridley of the Chicago Bears, both former Tuff students committed to using their platform to see that students are afforded the same opportunities to positively impact the course of their lives!

We founded TUFF Start in 2012 to advocate for disadvantaged, at-risk youth whose early childhood was compromised by obstacles out of their control. It is our goal to keep students off the streets and empowered with the tools to put them on the path toward long-term success.

From our early roots as after-school football training camps, we have evolved into a comprehensive program fostering each child's social, intellectual, academic and physical development. Today, TUFF Start serves 100 Middle School and High School students at our Enrichment Center in Margate, offering one-on-one engagement after-school, three hours per day, five days per week. Additionally, we offer camps to Middle and High School Students during "No School Days" throughout the school year and Summer, in order to encourage that every student maximizes their out of school time.

TUFF Start students are 93% more likely to graduate high school than their peers and 89% more likely to enroll in college.

The **Bowling For The Boys** raises critical funds to support life-changing TUFF Start programs. We are expecting more than 300 people in attendance with a goal to raise \$30,000 to support TUFF Start students. The people in attendance are CEOs, business executives, philanthropists and other major players throughout South Florida. **We hope to be able to count your company/organization among our supporters this year! Please take a moment to review the enclosed information to determine how you can support this most important mission.**

If you have any questions, need additional information, or want to chat with us, please don't hesitate to contact us at startchange@tuffstart.org or (954) 900.TUFF(8833).

Thank you for your consideration. Hope to see you on the lanes!

Sincerely,

Zack & Janaya Rehman
