

## "Favorite Technology Topic" Assignment

Think about something that really interests you in technology. It can be about AI (artificial intelligence), VR (virtual reality), Internet of Everything, etc... Write a one page report on that topic. Do not just copy and paste. Put it in your own words (paraphrase).

Create a word document in either in Microsoft word or Google docs. Make sure your report includes the following:

1. Is one page max. Use the whole page or lose points.
2. Have at least 3 paragraphs (a paragraph is 5 sentences). Do not copy and paste. Put it in your own words.
3. Include a nice page border.
4. Justify your message using the Justify option on the formatting toolbar.
5. Use bullets
6. Several pictures from Clip Art or the internet.
7. Use a variety of font colors, sizes, and styles.
8. Vertically center your document.
