

# SUKKOT SUPER MOON

## THE FEAST OF TABERNACLES & THE 8TH DAY ASSEMBLY

According to Jonathan Cahn's theory, Elul 29, 5775 or Sep 13, 2015 is when the last implosion of the world economy will most likely occur, in that case, total chaos will ensue. This scenario would concur with the celestial configurations and alignment due to the conjunction of the Moon with Uranus, the Father of the Titans, birthed in Chaos on the 2nd day of Sukkot, the day of the Hakhel assembly, the 8th Day. The Money Changers that have capitalized and manipulate the world commerce will use this Shmita timing as planned to usher in the New Order reset. If the total lunar eclipse of the Sukkot Super Blood Moon is a type of the Rapture, then having the Church out of the way would allow the AntiChrist to formulate the New Order and currency, the Mark out of this designed chaos. This NWO economic 'Mark of the Beast' new currency and economy will be based on not being able to sell or buy unless one is part and partial to this 'Mark'. Undoubtedly the sacrificial countdown started with the attack on 9-11. It was a ritualistic and Kabalistic slaughter of innocent people by the Money Changers that require blood to appease their Satanic Masters to implement the countdown to Lucifer's New World economic reset that will be used to control all of humanity. These progressive and systematic collective sacrifices through false flags, illegal wars and constitutional overwriting of civil liberties are being made to coincide with the very Holy timetable of YHWH's appointed Shmita.

*At the end of every seven years, at an appointed time, in the Festival of Sukkot [following] the year of Shmita. When all Israel comes to appear before the Lord, your God, in the place He will choose, you shall read this Torah before all Israel, in their ears. Assemble the people: the men, the women, the children...—Deuteronomy 31:10-12.*

The Shmita was to provide rest for the land but before all the plowing, commerce and labor were to begin anew on the '8th' Year, on the 2nd day of Sukkot, the nation of Israel was to 'assemble' (Hakhel) before the King to read the Law. The King would read from Deuteronomy and recited the 'Blessings or the Curses' and their conditions. The LORD YHWH would admonish His People to choose 'life' and not 'death' in obedience to His Holy prescripts. It is understood that the last such event took place the year before the destruction of the Temple in 70 AD.

**Year 5776 (2016) - 69 AD year = 1947 (Year of UN Partition Plan)**  
**69 AD + 1948 years (Israel became a Nation) = 2017**

### THE 8TH DAY - SHEMINI ATZERET

The Shmita is 'the Sabbath year which means to release and also called the sabbatical year or the 7th as in the year of the 7-year agricultural cycle mandated by the Law of YHWH.

## The Sukkah

## הקהל

Sukkot is often considered the Jewish 'Thanksgiving'. It is also called by the Feast of Tabernacle or Booths as a Sukkah or outside Booth is made to commemorate the temporary shelters the Israelites built along the journey in the Wilderness from Egypt to the Promised Land.

It is also referred to the Week of Rejoicing as it lasts 7 Days with a the 8th Day as a corporate Assembly in which the Torah is read known as the Hakhel which means to assemble or otherwise known also as Shemini Atzeret.

This Feast falls on the 15th of the Jewish Calendar month of Tishrei after Rosh HaShana, Yom Kippur and is the last of the 3 required assembly of men before the LORD, Passover, Pentecost, Sukkot as the Palms were waived in Passover, the Bread at Pentecost and the Lulav or palm on Sukkot.

The Jews use 4 elements or species to commemorated Sukkot before the LORD; a Palm, a Willow, a Myrtle and an Etrog (citrus).

WILLOW

A 'RAPTURE' TYPE?

To have the Super Blood Moon occur on Sukkot, being the last of the Tetrad in Pisces is unique as the Hakhel is to bring the Jew and Non-Jew together for an assembly. The Church birthed by Messiah consists of this one 'New Man' in Christ, both Jew and Gentile. It is interesting that the Blood Super Moon occurs when the Feast of Tabernacles will have Christians and Jews believing in Messiah together in Jerusalem as the Blood Moon will be setting and seen towards the western horizon. Pisces is associated with Andromeda, the chained and persecuted Woman that typifies the Church Age now and Pegasus, He who swiftly comes to rescue and 'rapture' the Bride away. For sure it is a picture of when the King will the Church to the Heavenly Mt. Zion to read the Law, the breaking of the 7 Seals of Judgment upon the Titans to come out of chaos as the Shmita is about judgment as well.

### URANUS - ORDER OUT OF CHAOS

Uranus Οὐρανός is attributed to the sky god of the heavens and in some renditions, the god of waters also. In mythology, Uranus as Father Sky was said to have been born from Chaos, (order out of chaos) and was the son-husband of Gaia, Mother Earth. These are the parents of the Titans. This ancient script goes along the lines of the Nimrod-Semiramis, Horus-Isis Luciferian and occultic alternate world view, etc. After the 1st Day of Sukkot, the 29th, the Moon
