

To Our Customers:

In order to comply with current social-distancing and stay-at-home guidelines, we have decided to limit in-store shopping to one customer at a time and take phone orders for pick up. This will minimize the risk of exposure for our staff and customers.

We realize that we are an essential service for many people in this community, so we will do our best to remain open and accommodate everyone with a slight deviation from our normal operation.

We appreciate your patience and understanding during this time. Most of all, we appreciate your continued support of small, local business.

Thank you!
