

A *GREAT* day to be on the golf course

GOLF TEAMS FROM NAVY RECRUITING & NORMANDY SPARK COUNCIL'S 2016 GOLF OUTING!

DATE: WEDNESDAY 18 MAY 2016
PLACE: THE HOLLOWES GOLF CLUB

What a fun golf outing! Just over 100 golf enthusiasts joined Navy League members and guests for Council's four-man Captain's Choice 2016 Golf Outing.

Thanks to the financial contributions from our many sponsors and the hard work from the Council's volunteer team, led by Golf Chairman Gary Riffle, this golf outing was a *huge* success!

After all the score cards were tallied, the first place honors went to the Navy Recruiting District Richmond.

Council greatly appreciated this kind of support from these golfers from Navy Recruiting District Richmond

Special thanks to the Navy Recruiting District Richmond and Navy Federal Credit Union for their participation in this event. NRD-Richmond, in addition to entering

seven golf teams, filled up our "ditty bags" with assorted goodies. Navy Federal employees took charge of the courtesy carts throughout the day, and provided many freebee items for all the golfers.

If you missed this outing --- you missed A GOOD ONE! Hope to see you at our 2017 golf outing...*join the fun!* 🍷
