About us

Smart Juice is made using top quality organic fruits from over 1,000,000 of our trees from 2,500 of our organic farms. We are a vertically integrated company.
We are the growers. We are the suppliers. We are the manufacturers.

Clean and clear tasting.

We are proud of our 2,500 organic fruit growers throughout Turkey who ensure authenticity from farm to table.

Low MSRP for premium, organic NFC juices.
