## Making Psalters to go into the historic Church

Students in grades 5 to 8 are invited

Come with your favorite Bible verse or Psalm to design and illustrate a Psalter to decorate the Historic Church altar. Please join us with your creativity.

You will need:

- \*one Bible verse/Psalm
- \* one sharpened pencil
- \* a smock/old button up shirt or a change of clothing that may get dirty with paints charcoal and pastels
- \* a positive attitude.

Each student will design and sketch their verse much like a comic book format but in the Byzantine style. Once completed, the works will be voted on to be immortalized on the Psalter. They will work together as a group on the final project. The final project will be displayed in front of the alter of the historic Church.
