

The Village Chapel

Wedding Guild

The following are new guidelines set forth by the Village Chapel on Bald Head Island for weddings taking place in the summer, fall and winter of 2020.

1. Change the number of people allowed to attend wedding events from a capacity of 110 to 50 in accordance with Phase 2-3 following the shelter in place NC state orders.
 2. Require social distancing inside and around the chapel, allowing only 3 people per pew unless all members on that pew are within the same family, i.e. couples, etc.
 3. Require attending guests to wear a mask.
 4. Clean the chapel before and after a wedding event, either through the regular cleaning service for the chapel or if necessary, the wedding guild member to assist using required cleaning products.
 5. Live singing is discouraged according to data from the American Choral Directors Association.
-
- If possible and needed, the streaming services at the HOA building next door can be used incorporating required procedures and trained personnel for such duties. The associated fees are the responsibility of the Bride/Groom.
 - (It must be noted the HOA has mandated no gatherings shall take place in that building through June of 2020.)
 - It should also be noted these guidelines are subject to change according to new developments in Covid-19 guidelines set forth by the Governor and State regulations.

Thank you for your consideration of these new guidelines!

Debbie Ward

Wedding Guild Chairman

Village Chapel Board of Trustees
