## *We Pump Water*

[www.mccooklakesd.com](http://www.mccooklakesd.com)

### What we do

The McCook Lake Association is responsible for pumping water from the Missouri River to McCook Lake, maintaining proper lake levels.

Other services include:

- Lake Clean-up
- Placement & removal of No-Wake buoys
- Partnership with government agencies
- Defending the Lake
- Communication within the McCook Lake Community

### Why contribute?

- Protects your real estate investment
- Recreational benefits & improved quality of life for homeowners, guests, and the public
- Healthier fish, wildlife and plants
- Assurance that the lake will maintain adequate levels for enjoyment
- All contributions stay local and support pumping water into the lake

#### Specifically this year:

- **We need to pump 500 million gallons into the lake to fill it to our typical 1088 elevation.**
- The Missouri River Watershed is experiencing a draught, resulting in more water leaching out of the lake and more expense to pump water out of lower river levels.
- The pump bearings are worn and are being replaced
- 2022 expenses for pump utility costs and maintenance were roughly \$150,000

### Become a Member

Contributions are tax deductible and help maintain the water level of McCook Lake.

#### Corporate Sponsor-\$1200

- Company Logo on Website & Newsletter
- Complimentary Admiral's Stag Ticket

#### Platinum-\$600

#### Gold-\$300

#### Silver-\$150

**Contributor**— Donations of any amount are welcome!
