Blessing of Seed, Soil and Water

To honor Earth Day we will include a time of Blessing of Seed, Soil and Water during our worship service on Sunday April 23, 10:30 am. This offers us, as Christians, an opportunity to reflect

on the significance of our connectedness to water, seeds and soil, and the people whose livelihoods depend on these elements. God created water, seeds and soil, we give thanks to God for the life essentials he provides. Plan to share in a celebration of God's creation.
