1 ring, indoors on artificial turf - 80' x 120'**

**Biathlon 1 Design Judge Dan Butcher
Biathlon 2 Design Judge Alexander Beitel**

All runs to be Judged by Mr. Butcher

Limited to 240 runs

Entries for the Cup will close on November 4, 2018

This will be an unsanctioned agility competition for bragging rights, bling, and the big bucks only! There are no qualifying scores or titles awarded. Competition will consist of two biathlon events. Each biathlon will be scored independently.

Biathlon 1 will be designed and judged by Dan Butcher. Biathlon 1 will run Agility first, followed by Jumping.

Biathlon 2 will be designed by Alexander Beitzl of Mendig, Germany, judged by Dan Butcher. Biathlon 2 will run Jumping first, followed by Agility.

Courses will be reviewed for safety by Linda Mecklenburg.

Scoring will be time plus faults. Judging will be per AKC ring rules except as modified herein and scored as follows: Refusals + 5 seconds; Faults +5 seconds (bar or missed contact); Wrong Course +20 seconds if corrected, Elimination if not corrected. European style training in the ring is allowed (*see below*).

In addition to bragging rights, each height's winner will receive a trophy, 10% of the entry fees for their jump height, and a toy; the runner-up will receive 5% of the entry fees for their jump height, and a toy; third place will receive a toy.. Rounds with eliminations are not eligible for placements in the biathlon. Mix n' Match entries are not scored for awards.

Jump heights offered will be 4"/8" (scored together), 12", 16", 20" and 24". You may pick the best height for your dog. Dogs will not be measured.

Dogs must be at least 15 months of age. Bitches in Season (BIS) will be accommodated; handlers need to bring a mat for the start line.

"European Style" (aka "Fix and Continue") training in the ring means that a team may correct a sequence, or a repeat a contact and provide verbal praise and play as reward and then go on with the course. Once a team has elected to train a sequence or obstacle the run will be scored as an elimination. Verbal praise alone will not be cause for elimination; it will be at the judge's discretion if the team has chosen to end their competitive run to train. Teams are expected to be respectful in their choices about training in the ring, and NO harsh correction will be tolerated.

The competition ring is not separated from the crating area by a physical barrier. Dogs should be on leash when not working in the ring.

The only practice jump / warm up area available will be outside, on grass.

The Cup is limited to the first 240 runs. The Cup will begin at 9:30 a.m. running small to tall and is expected to finish by 4:00 p.m. If time allows, we will offer \$5 mulligans on the Agility course after the Cup once awards have been presented.
