Natural Family Planning

Natural Family Planning (NFP) is an umbrella term for the safe, natural and effective methods of both achieving and avoiding pregnancy. NFP methods teach couples how to observe and interpret the woman’s signs of fertility and infertility. In the words of the *Catechism of the Catholic Church*, NFP methods “respect the bodies of the spouses, encourage tenderness between them and favor the education of an authentic freedom.” (CCC, § 2370)

The dates of Natural Family Planning Awareness Week are: July 23rd – 28th, 2017. These dates highlight the anniversary of the papal encyclical *Humanae Vitae* (July 25) which articulates Catholic beliefs about human sexuality, marriage, conjugal love and responsible parenthood

Our diocesan website has information and resources available to you at:

<http://www.hbgdiocese.org/family-life/marriage-and-family/natural-family-planning/>

Learn NFP in the comfort of your home by contacting one of the NFP providers listed at:

The Catholic Church invites all the faithful to embrace God’s plan for married love. Learn more about these beautiful teachings which support the use of NFP in marriage at: <http://www.usccb.org/nfp/catholic-teaching>
