Drain maintenance and unblocking

Sinks drain unblocker

### WHAT IT IS FOR

Biological product for treating drains, pipes, sanitary fixture waste pipes and grease separators. Removes organic dirt, prevents clogging of the pipes and the formation of bad odours.

### RECOMMENDED DOSAGE

Follow the intervention plan.

### USE

In the evening put the recommended dose into the drain and let the powder soak all night in order to degrease.

Pour water the next morning so that the solution also activates the stretch of pipe going from the drain to the sewage.

### AVAILABLE PACKING
