Please be specific with the times you're unavailable so I can try to schedule around conflicts and find times when all students in any given scene/song are available to rehearse together. Please remember to include times for commuting to/from Faith Lutheran; i.e. if soccer is 10-11 and 15 minutes away, please list conflict as 9:45-11:15. Rehearsals will be scene-specific and cast can expect to rehearse 2x week (featured cast may be called for extra rehearsals) until tech. Days above in yellow represent tech week & are mandatory to insure the cast is ready for performances. We won't rehearse everyday during tech. We'll have 1-2 days off. You can list any conflicts and I will try to schedule around them, but if I can't, attendance is still expected.
