### GREAT PRIZES

Gift Baskets | Gift Cards | Gift Certificates

Join us as we honor the selected 2016 Persons of the Year and recognize all our past “Persons of the Year” award recipients. Covered by the media of the Hellenic community, this is the most important annual gathering of our organization. This event also provides an excellent opportunity for elected officials and business leaders of our region to meet and exchange their views and ideas.

Whether a member, political figure or local business owner, we kindly recommend that you place an ad to include your message in the 2016 UHVA Year Book. This year book is handed out to the attendees of this event and it is distributed to all members and friends of the UHVA throughout the year.
