

A MIDSUMMER NIGHT'S UPDATE

CDM Club Fair: *Market Street!*

Wed Sept 9th 12-1pm

This year's *Market Street!* concept stems from the idea that we want you to market your club as best as possible while also serving as an area to do some key fundraising. We envision your culinary and/or artistic talents being traded for immediate sign-ons/dues or monetary donations or whatever! Treat this as another creative opportunity to showcase your club :)

Howdy Club Leaders!

With the 2015-2016 school year fast approaching, I wanted to give you all a one-stop-shop guide to refresh your memories on all of the great opportunities we have for growing your organization! On the left you will find information regarding the revamping of this year's club fair, a calendar of the big CDM events for the fall semester (more details coming soon on those!), and a useful timeline for hosting your club's events. Before we start, please complete the [Club Renewal Form](#) **before 9/7/2015**. Also, please email me (rip2149@columbia.edu) if you would like to use FairPay tiered pricing for either your events or your dues as a whole. Get excited for what's sure to be THE year for CDM Club!

Important reminders from Student Affairs

Please inform Jary (jp172@cumc.columbia.edu) of any of your members traveling outside of NY State within 14 days of your event. All events must be registered via the FairPay Follow Up form, irrespective of receiving SGA funding - this is just so we can make reapplying as buttery-smooth as possible next year! You must also notify Student Affairs of any events planned with non-CDM personnel BEFORE advertising.

Please check CDMSGA.com for updates and forms!
