President’s Corner

Welcome to 2018! I’m really showing my age when it doesn’t seem that long ago to me when America was looking forward to the Bicentennial. Most people wouldn’t say 1976 was a particularly great year for the Ford Mustang, but I do remember liking a new Cobra II I saw on TV. The fact Farrah Fawcett was driving it may have influenced my perception.

I had the privilege of attending the annual Rocky Mountain Mustangers Christmas party and really enjoyed seeing the Toys for Tots boxes fill, the familiar faces and a few new faces as well. I’m sure you’ll agree it’s also great to see some people returning to the club after a hiatus. I want to extend a special, “Welcome Back” for those members. Please let me know if you have any suggestions for the club.

Hoofbeats

While Sarge's Grill is a nice venue for our Christmas parties, I fear we are outgrowing the capacity there. If you have suggestions for another venue, please send me an email or let us know at the next club meeting. Now is the time to make reservations for December, 2018.

Don't forget your input to the club newsletter is always welcome. If you find a topic interesting, or you simply want to share some pictures and stories about your Mustang, write it up and send it to Jeff O'Neil. (Don't let spelling or grammar keep you from submitting an article. We can take care of that.)

Thank you for the opportunity to serve as your club president this year. This is a first for me, so please be patient with any buffoonery you may observe. Constructive criticism is always welcome.

-Pat

VOLUME 7 ISSUE 1
JANUARY '05

INSIDE THIS ISSUE:

Chuck's Chatter	1-2
Steering Wheel Blues	2,4
Proposed Schedule	3

From the desk of: **Chuck Hoyle**

Chuck's Chatter!

It's the month after Christmas, and all through the town, the ground is still white from the snow that came down. The stockings hang empty, the Christmas trees bare, soon to be packed away for the rest of the year. Visions of Santa have been exchanged for visions of the new 2005 Mustang. Busy, busy, busy, your 2005 board is hard at work planning this up coming year's events. We are looking "Ford" to building on last years fun. I have went out to my garage, (Freezer Box), very little this past month, but each time I open the door, my thoughts of all the little things that need to get done start dancing through my head like sugar plums, (or disappearing money). All I need is more time! I want to remind you that just because it's cold outside, doesn't mean you can't exercise your pony. I have, and boy what a great feeling! For the club members that don't drive their babies each day I just want to remind you about adding fuel stabilizer and trickle charging those batteries so everything is fresh and ready to go.

The Club calendars are in and some of our members may be asked for their autographs, because they look soooo good standing next to their pony's. The calendar this year is \$15.00, and you can purchase yours at the next meeting. I've got mine proudly displayed

on the wall. Please see Jim Nass for your own copy .

Duane is doing a great job updating the web site, but we still need your help! We would like to get updated photos of everyone's cars. Please don't use the excuse, "I don't have the pictures developed" or "I don't have a digital camera". It's a new year and your New Years Resolution should be to get some updated photos of your pony. There are numerous one hour photo centers around town; i.e., Walgreens, Wal-Mart. These places will also put your photos on a CD for about \$3.00. So lets all do our part and get some photos taken and developed. We would like to add more pictures to our web site. I have visited several other clubs sites, and I think the best thing about them are the pictures. Not only the pic's that show the restored cars but the ones that are un-restored or just daily drivers. By placing pictures on the web site, it shows the pride in our club and our members. No excuses; just because your car may not be fully restored doesn't mean your car is not special. We would also like to have pictures of the cars under construction. Lets strive for 100% participation. Remember, we can't do it without you!

Impromptus are still on the agenda for this year. We are looking forward to one in January, and

Club Clothing

There are two sources of club clothing: Graffi-T's Screen Printing and More, and Lands' End. Graffi-Ts is located in the Springs and provides silkscreened clothing. Lands' End is available online and provides their clothing embroidered with the club's logo.

Graffi-Ts

Graffi-T will provide club clothing that includes the Mustangers logo on the left chest and the running horses across the back. The long sleeve garments also include a left and right sleeve print. The colors that work best with our logos are: white, light grays, light blues, pinks, light greens, yellows, red, tans, and orange. The available styles are: sweatshirts, hoodies, long sleeve t-shirts, short sleeve t-shirts, and ladies v-neck t-shirts. A minimum order of 24 or more pieces in mixed styles, colors and sizes is required. In order to meet the minimum order quantity, the club accumulates individual member requests until the minimum quantity is met, then places an order. There are shirts available from previous club orders. Please contact Bryan Lowry about clothing currently in the club's shirt inventory.

Lands' End

Rocky Mountain Mustangers stitched-logo apparel is available from Lands' End. Use this link [Lands' End](#) to access the club's Lands' End website to place an order. The logo is shown below. Clothing items include shirts, sweaters, blazers, jackets, and caps.:

The cost of an item is the cost to apply the logo to the item you select (\$8.50) plus the cost of the item itself, and shipping (typically \$9.95 for multiple items). There is no minimum quantity; orders may be placed for single items. The time from placing the order to receiving it is typically three weeks.
