SAFETY SEMINAR ANNOUNCEMENT

RACING HELMETS

- **When:** Saturday, November 10th, after course walk, approximately 5 PM
- **Where:** El Mirage Dry Lake, West end, around the SCTA Inspection trailer/tarp area if weather is good. If wind and weather are not cooperating, we may move to inside the SCTA building if we do not interfere with the Two Club banquet.
- **What to bring:** Your own chairs and questions for the subject matter experts!

Homework: visit and actually read the information at the Snell Memorial Foundation website: <https://www.smf.org/>

Guest Speakers:

Ed Becker the Executive Director and Chief Engineer for SNELL Memorial Foundation

Yves Morizot the President of Stand 21 Safety Foundation

Don Taylor the Director Stand 21 Safety Foundation

Mr. Taylor will be addressing several topics related to racing helmets and head protection, with the following agenda:

- Design and Materials
- Construction
- Testing
- Specifications
- Latest Advancements
- Proper Maintenance
- Logistics of Brain Concussions
- Myths and Urban Legends

For more information, please contact Werner Schwarz directly at allanas@socal.rr.com or by cell phone, 661-618-2473.
