## Dear Customer,

Offering the best quality office furniture available in today's market—contemporary, traditional, functional, or luxurious—we have the answer to all your furnishing needs no matter what your budget will allow.

Throughout our easy to use catalog, the products shown are listed with details including the corresponding fabrics and finishes. However, if you wonder if a product could come in a different size, color or finish, give your sales representative a call and we'll be happy to explore all options available for you. We appreciate your interest, and look forward to helping you make your office everything you want it to be.

List prices are effective at time of publication and are subject to change without notice. Fabrics and finishes shown are representations and due to printing process, may not be exact.

All WorkSimpli Laminate products and most seating lines are built from environmentally friendly materials which meet or exceed California's 2022 environmental guidelines.

We strongly support recycling efforts. Please recycle this catalog. This catalog is printed using vegetable based inks.

## Axis

Axis is designed with dynamic and functional focus which the main characteristic is easy access to power and data thanks to the power beam virtually eliminating clutter in the workspace.

## Kios

Kios offers a design with great flexibility to adapt highly functional and independent workstations. With a tray system below the worksurface to hide and distribute power and data wiring, Kios will always look great.

## Matis

Thanks to its multiple alternatives in shapes and sizes. Segmented tile system Matis offers endless options for you. Bring your personal touch to each space of your organization and customize it with the look and design that best suits your needs. Matis is your solution to create operative and collaborative areas, or floor to ceiling offices; as well as private areas such as boardrooms or training centers.

## How to Use This Chair Functions Guide

Use this guide to help you find the perfect fit for your office seating needs. While browsing through pages ?? - ??? you will see each chair has a series of letters under the description that corresponds to this seating guide. You spend a lot of time in your office chair, so why not make it as comfortable as possible.

**A Pneumatic Seat Height**  
Adjusts "up and down" seat height relative to the floor.

**B 360-Degree Swivel**  
Allows seat "rotation" in a full circle.

**C Swivel/Tilt Control**  
Places the "pivot point" directly above the base center" and allows the user to lean back in a seated position.

**D Tilt-Lock**  
"Locks seat and back" in an upright position.

**E Tilt-Tension**  
Allows user to adjust "resistance" with which chair reclines or tilts.

**F Back Lock**  
Allows user to select and "lock a particular back angle."

**G Mid-Point Control**  
Allows user to recline at a more natural angle than the traditional tilt control. "Pivot point of chair is positioned slightly forward" toward the front of the seat.

**H Knee-Tilt Control**  
Allows user to fully recline while keeping feet comfortably on the floor. "Pivot point is placed near the front of the seat."

**I Synchronous Control**  
Automatically "adjusts seat and back angle while maintaining a 2:1 recline ratio", providing optimum back support and minimal seat rise.

**J Articulating Seat & Back**  
"Adjusts seat & back angle independently" with a single lever.

**K Adjustable Seat & Back**  
Allows user to "adjust and lock seat and back angle" of chair independently of each other.

**L Back Height Adjustment**  
Allows user to "adjust back up and down" for proper positioning of lumbar.

**M High Control**  
Includes "swivel/tilt with tension control, independently adjustable seat and back angle with infinite lock (any position) and forward pitch control."

**N Back Depth Adjustment**  
Allows user to "adjust back in and out" for additional seat depth.

**O Lumbar Adjustment**  
Allows user to "custom fit chair by adjusting lumbar" for optimum support and comfort.

**P Forward Seat Tilt**  
Allows user to "tilt seat forward" for optimum comfort while doing intensive forward oriented tasks.

**Q Sliding Seat**  
Allows seat to move "forward and back" or to be locked in a desired position.

**R Height-Adjustable Arms**  
Allows user to "adjust arms up and down" within a set range to accommodate a variety of tasks.

**S Height/Width Adj. Arms**  
Allows user to "adjust arms up and down, or in and out" within a set range to accommodate a variety of tasks.

**Soft Wheel Casters for hard surfaced floors. Available for most chairs.**
