Virtual Escape Room: We will release several links for you to enjoy an Escape Room (on Facebook and our website). Each link will be targeted for certain ages. If you do the Escape Room, share how you did with us on Facebook or Instagram using #mullikenlibrary or #mullikenlibraryescaperoom

Bingo Cards: We have on our website ready to go Bingo Cards. You can choose which one you do— Reading Bingo, Activity Bingo, or both. Each card has the instructions on how it works and how to send us the information we need.

- Activity Bingo: you will pick an activity to do (one a day, or it's no fun) and send us a picture or video of you doing the activity so you can mark that off on your Bingo card. Once you fill the entire Bingo card, let us know and we will store your completion to win something fun when we return.
- Reading Bingo: grab yourself a good book based on the Bingo card. Once you read that book, mark it off on your card. It might be a genre, an author, or a book recommendation. Once you fill out a row on the bingo card, let us know and we will keep you in our records to win something fun once we return.

Make a Movie Week: Send us photos and videos of the fun things you are doing while we are staying home and staying safe, and then I will turn it into a fun movie to share with our community. Disclaimer: no names or any identification will be used, just the entertaining videos and pictures.

Lego Competition Week: On our website we will have a PDF to download. Each day of the week there will be a new Lego challenge. Do your best to tackle the challenge and send us your Lego creations.

Activity Week: On our website we will have a PDF to download. Each day of the week we will have a fun activity to do. Some will be on the Bingo card, some will not, there might be a scavenger-hunt. Each day take on the daily activity and send us pictures and videos of you doing your fun activity.

Things to Do: Follow us on Facebook and Instagram to see resources, stay at home fun, updates on our events/activities and general library news. PLEASE send us the photos and videos, as the more responses we get the more we can count for State-Aid. We rely on our state-aid funding to bring fun events and activities to you, plus it is more fun when more play along. 😊

TOGETHER WE WILL GET THROUGH THIS!

Continue to stay home and stay safe. We are here to help combat the boredom! #alonetgether
