Team Member Commitment Form

As we prepare for another awesome weekend with our Lord, please let us take a moment to remember the commitment we are making.

When you accepted the invitation to serve, you made a commitment. You may have physically said "yes" to the rector, but your commitment is really to our Father. We pray that you will honor Him during every moment of team preparation and also as you serve in your respective area on the weekend.

Team Fees

Please remember to pay your team fees by the last team meeting. The community has bills for the weekend, that we must pay in advance. By collecting fees early, or at least knowing when they will be paid, will aide the treasure in paying bills in a timely manner. Please fill out your Team Member Commitment Form, and turn in to the Assistant Head Chas, during the first meeting. This will be a way for them to track the funds for the weekend, with out the awkward position, of them asking you for it.

Scholarships

If you are in need of a Scholarship for the team fee, please let us know on your Team Member Commitment Form. We ask that you try to pay 1/2 of the current team fee. We do not want anyone to be turned away from serving, we just ask that you let us know, so we can try to plan for it.

Team Meetings

Another commitment is to attend a minimum of 3 team meetings. Also, by serving the Lord on this team you commit to praying for the team and the candidates often.

The Weekend

Please respect the "chain of command" on the weekend. If you have a problem or a need, see the Head of your section. If they cannot resolve the issue they will go to the Asst. Heads. If they can't resolve the problem, it is then taken to the Head Cha and finally to the Rector.

Commit to being present for the entire weekend. It is so important to maintain the cloistered environment. Please do not leave the campground for any reason (barring a real emergency) once the weekend begins on Thursday evening. I would like to ask this to continue through Closing, Sunday evening. I know we are a great distance from home and you will be very tired, but I just ask that you make every effort to stay for closing if at all possible.

Palanca

Thursday nights meal, on both men's & women's weekends, are potluck style. We greatly rely on the community to help with Kitchen Palanca for this meal.

- 2 Liter sodas or a case of water for the Rollo Room
- General & Sack Palanca Letters
- Any other Palanca you feel led to bring
