

Great Lakes Kiln Drying Association 2019 FALL MEETING

October 10—11, 2019
Northcentral Technical College
312 Forrest Avenue
Antigo, WI

You are invited to attend Great Lakes Kiln Drying Association's 2019 Fall Meeting!

I would like to invite you to attend the Great Lakes Kiln Drying Association's 2019 Fall Meeting at Northcentral Technical College (NTC) in Antigo, WI.

On Thursday Oct. 10, we will spend the morning touring the Wood Technology Center at NTC and Zelazoski Wood Products. Following the tours, we will all gather for lunch and then head out to Kretz Lumber to tour their operations. Part of this tour will be in Kretz's Experimental Forest, so come prepared for the weather (i.e. rain jacket).

"Stress Relief" and dinner will be at Luigi's Pizza and Pasta, and will provide more opportunities for networking.

Friday October 11, the schedule offers sessions with valuable information, as well as networking and election of new Directors. We will hear an update on the research being done with the Vacuum Kiln, after which an Open Forum will give everyone an opportunity to ask questions.

We hope to see you all at the 2019 Fall Meeting.

John Gehringer
GLKDA President
