**HAPPY
NEW YEAR !!**

The new year has begun and preparations for this years' show are underway. Nike Park is getting a drainage face lift and other improvements. Entertainment is locked in and the wig wag sales will be

kicking off next month. There is one major job/ leadership role that is in need of being filled . It is imperative to the success of the show that a gate chairperson or family step up to take on this responsibility. If interested in or would like more information on the role please contact Lee ASAP!!!

BY-LAWS

A committee has been formed and will be meeting February 3 to review and recommend changes to the by-laws. If interested in being on the committee or have input please let Lee know.

WIG WAG

Norman D. Seegert will be passing out the wig wag packets at the February general membership meeting!

Every day is a new beginning. The mistakes for yesterday are now just lessons learned. Absorb the energy and possibility of today, acknowledge the simple beauty that can so easily be taken for granted, and look forward to another new beginning tomorrow.

Do you have a John Deere hammer mill or know someone who does? Anthony Hehl needs a screen for his 10A mill. He would like to speak with you. 734-652-9838
