

Time to Start Planning Your Event for

Celebrate the Coast: Fresh, Water, Fun!

June 2018 is Coastal Awareness Month in the State of Indiana!

The Lake Michigan Coastal Program and partners are working together to develop a wide variety of events to celebrate the diversity and beauty of the Lake Michigan Coastal Region. Events highlight natural, cultural, and historic resources in the Coastal Region of the Indiana: Lake, Porter, and LaPorte counties. The goal is to increase public awareness of these coastal resources and engage people in fun and educational activities that take them places they may have never seen before.

Event Submittals:

We encourage your organization to develop an event for the month of June that highlights our shared coastal resources. The attached event form is easy to use and self-explanatory. Please submit event details to coastal@dnr.in.gov by **Friday, May 18, 2018**, so we can include your event in our press releases and the Coastal Awareness Month schedule. Please feel free to share this information widely.

For questions or additional information, please contact:

Kathryn Vallis

Outreach/Education Assistant, IDNR Lake Michigan Coastal Program

Email: kvallis@dnr.in.gov Phone: (219) 250-5402

Note: Participating organizations should use the Lake Michigan Coastal Awareness Month logo and promotional materials in highlighting their event. The event will be placed on the CAM website (www.cam.dnr.in.gov). Promotional materials will be distributed to event sponsors after event registration.
