PEDICURE MENU

All Pedicure below includes: nail shaping, cuticle grooming, callus removal, feet soak in hot water, scrub, foot massage, hot stone treatment, hot towel and polish change.

CHOCOLATE PEDICURE **\$37**

The scent of chocolate triggers the release of chemicals in the brain that produces a similar feeling as when one first falls in love. In addition to being a sensory indulgence, chocolate contains over 300 different compounds some of which can have a significant impact on one's health and beauty.

WINE PEDICURE **\$37**

The healing properties of grapes and wine have been highly valued for thousands of years. Wine will protect your body against free radicals and reduce inflammation.

CLASSIC PEDICURE **\$35**

This treatment will moisture your skin and improve blood circulation.

Special CANDLE PEDICURE **\$42**

Experience the ultimate moisturizing skin treatment with premium organic skin candle. Our soy wax melts into an oil that remains soft on skin because its melting point is just a few degree above body temperature. *Candle Aromatics are seasonally changed.*

SPA PEDICURE MENU

PARAFFIN SPA PEDICURE \$50

Both the moisturizing properties of the paraffin and the heat help to soften and improve the skin all over the feet, especially in tough, calloused areas. A paraffin pedicure can also help people who suffer from cracked skin on their feet, which is most common in the area around the heel of the foot. (GREAT FOR CALLUS REMOVAL)

JELLY SPA PEDICURE \$50

Jelly Pedi is truly a unique spa experience. A gel forms when the powered Jelly Pedi is added to water and it becomes a translucent, fluffy jelly. Jelly Pedi provides the ultimate relief for stress and aching muscles. It helps exfoliate as well as hydrate dry skin. (GREAT FOR CALLUS REMOVAL)
