

**Town of Grant
9011 County Road WW
Roads Meeting
March 7, 2012**

Present: Schwab, Yetter, Winkler, Luecht, and Zimmerman.
Chairperson Schwab called meeting to order at 7:00pm

Retro-Reflectivity Assessment:

- Town did replacement of STOP signs in 2010; 4 x 6 breakaway posts; inventory of signs, date when replaced
- Regulatory signs need to be done by January 2015
- Street signs by January 2018, with larger letters and reflectivity

Update 5 Year Road Plan; Bids for 2012:

- Schwab went through 2011 Road Projects that were completed; Charles Gussel wasn't satisfied that Angle, Birch and Maple dollar amount spent was for whole project and not individual roads.
- TRIP-D Grant came back with a no for 100th St. and Lake Road; Deer Road is still out there; Estimate cost to reconstruct Deer Road is \$150,000.00
- Two new roads for consideration for 2012 were added: 130th St. (North of Buena Vista Dr) and Timm Road.
- Lee Lampert- indicated we need to spend enough money on Deer Rd and 100th St to bring roads up to par to be passable and not necessarily do a complete reconstruction.
- Kitty Gross said if we receive STATE funds for Deer Road the complete project would have to be done, which Town would be responsible for 50%
- After discussion: priority was for Deer Rd (100th St-110th) and 100th St (Quarry-Cty W); then 130th St (North of Buena Vista) should be done to make them passable.
- Schwab mentioned other areas for work is Joint & Crack sealing which is a small amount of \$ for extension of roads for 3-5 years. Culvert replacements on 90th St., Birch, and 110th St. and Beam Guards at Oak (curve), Oak/110th and Mill/10th for \$15,000-\$20,000.
- Gussel- are we pulling out these roads to full amount or making passable.
- Schwab indicated bids would be accepted for full amount, but that the bid documents are written so that one, some, or all items of the project could be done.
- Lampert-Deer Rd needs crown and drainage; should muck out and build up
- Gussel- Lake Rd (Cty F-Townline Rd) could use some maintenance, but Deer Rd (100th-110th) was really bad and need to be taken care of.
- Winkler- need to build roads up, above ditches, get bids to see what kind of \$'s are we talking about

Motion:(Yetter, Schwab) Move to get Bids for Deer Rd., 100th St, and 130th St. Carried. Unanimous Ayes.

- Bids to remove trees were received from Zblewski Brothers for a total of \$7,500.00 and McDonald Recycling for a total of \$8,450.00, which both bids included Deer Rd and 100th St.
