## Jeff Gutman

### No Way Back

#### Mr. Knees

San Francisco-based singer-songwriter Jeff Gutman rocks soft, telling hard-traveled stories with a snarly understated mix of electric and acoustic guitar on 2006's *No Way Back*. From the opening side-of-the-road track "Hitchhiker" to the title track "No Way Back", Gutman delicately weaves stories of regret, remorse and sorrow, guiding you through an emotive journey through lonesome and mellow '70s AM radio ballads. Snuggle up and don't look back.
