News From Pastor Ryan:

HE IS RISEN!

Greetings church family,

I write you today in the middle of Holy Week! Easter is just around the corner! I have been so excited to see things in the church start to go back to (mostly) normal over the last few weeks! We are looking forward to a wonderful spring and summer! Hopefully all of our favorite church activities will soon be back and this time of Covid will slowly slip into our memories!

As we prepare for Easter I'm struck by how the disciples changed after the Resurrection. A hodge podge band of hot heads and undesirables suddenly become organized, inspired, and mobilized! In just a few years after Jesus' resurrection the disciples would find themselves traveling to far away places to proclaim the good news of Christ!

What changed? Well, they met the risen Savior, of course! Meeting Jesus changes the way we view the world. It changes our priorities. We might think we were created for one thing, or we were meant to have one kind of life, but when we meet Jesus we end up going a different direction! It was true for the disciples, it was true for Paul, it was true for me, and it was probably true for you as well! As we start to enjoy the newness of spring, the newness of our post-pandemic world, we should also look at the newness within our Spirit when we meet Jesus. Paul would tell us in 2 Corinthians:

Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here! – 2 Corinthians 5:17

We can't stay in the grave, God has called us to something new. Whoever we were before Jesus isn't necessarily who we are supposed to be going forward. When Jesus taught He loved to challenge the way people were told to honor God, and try to show them how to truly honor God. Jesus would say "you've heard that you shouldn't murder...but I tell you, you also shouldn't hold hatred in your heart" or "you've heard that you should love your neighbor, but I also want you to love your enemy." Jesus can flip our normal ways of thinking around and when we truly follow him, we often find ourselves doing radically different things.

This month we're going to talk about a changed life in Christ by looking at Discipleship and the Parables of Jesus. Jesus loved to teach by telling stories. Often, the person we relate to in the story can change depending on when we hear it! I remember being younger and more rebellious and relating to the Prodigal Son who received forgiveness after making terrible mistakes, when I got older I found myself relating to the "good" Son who stayed home but then harbors resentment when his brother is forgiven! Shouldn't we want everyone to receive forgiveness? Of course! It's easy to think forgiveness should be given when we need forgiving! It's much harder when we need to forgive someone else!

The stories of Jesus challenge us to a new way of life. We're not people of the grave. We're not people of "the way it was". We're resurrection people. God has done something amazing and something new!

Happy Easter, church. May you live today in the power of the Resurrection. May you be made new!

-Pastor Ryan

From Trinity Tidings of Years Gone By –

April 2021 (from April 1959)

Soon to be heard from the steeple of our church will be the sound of chimes, organ, and bells, as they peal forth the tunes of many of the beautiful hymns of the church. This will be mad possible by Mr. William Reif, who has purchased for the church, as a memorial to his recently deceased wife, Minnie Augusta Reif, a Schubmerich Tower Music System. This wonderful gift will enable Trinity Church to send the sound of hymns across the countryside each day – and it will be done automatically as often as we might choose to have them played. Reproduced automatically will be the sound of bells and chimes, whereas the organ and its chimes, will be able to be played manually at any time and amplified through this same system. A recent letter from the company states that our installation should be complete by June 14th. Certainly it is with a great deal of anticipation what we await the arrival of this new electronic instrument. The definite date of installation and dedication will be announced later.

Please contact the office to make sure you are on the list for the date you would like the tables and chairs.

MEDICAL LENDING SUPPLIES

It has been wonderful to see the medical supplies donated to Trinity. The basement kitchen area is nearly overflowing, thanks to all of you. That being said, it also bears repeating that those items are available for YOUR use! There are a few wheelchairs, arm slings, compression stockings, and even a shower bag for a cast, to name a few. How about a massage cushion? Some items might come in handy for first aid such as Ace wraps and Band-Aids. So please think of TUCC for yourselves or those loved ones in times of need. Ask any of our medical professionals for help if needed. Thanks! Robin Hansen.

Just a reminder that the photo directories are in!

If you had your photo taken/turned in a photo, you have a book with your label on it waiting for you on the table by the elevator.

If you didn't get your photo taken, there are extra books on the table as well.

Enjoy our new directory!

"Thank you to everyone who gave a memorial in memory of mom and for all the prayers, cards, and kind words that we received. A special thanks to Pastor Ryan and Don Corbin for leading her service, Ava for playing the organ, and to Rhonda for streaming the service. I'm sure mom was very pleased and was smiling down on all of us. And probably was singing those beautiful hymns right along with us.

Much love,
Dawn Grieger & family

TITHE.LY

Giving to your local church using [Tithe.ly](https://tithe.ly) is super easy! We offer a number of different ways to give to your church, which we'll outline in this article.

#1 - GIVE ON YOUR CHURCH WEBSITE

The recommended way to give is to go through your church's website. They likely have a section titled "Giving" or "Online Giving" where you can give using the Tithe.ly platform. If they do not have that, you can use one of the methods listed below.

#2 - GIVE ONLINE

If you're on a computer (or any device with an internet connection), you can easily give to your church by heading to [Tithe.ly/Give](https://tithe.ly/Give). Once there, search for your church, and fill in the giving form.

#3 - GIVE IN APP

Want to give to your church using the convenience of your smartphone? No problem! Download the Tithe.ly App from the [App Store](https://www.apple.com/app-store) (iPhone) or [Google Play Store](https://www.google.com/play-store) (Android). Once you've downloaded the app, create an account or log in, locate your church and tap "Give Now" to complete your gift!

APRIL MISSION SPOTLIGHT

MISSION SPOTLIGHT: THAT NEIGHBORHOOD CHURCH

“Our ministry model came out of years of experience, collaboration, and trial and error. We focus on two areas of Ministry, Church Ministry and Real Needs Ministry. We view this as two overlapping circles. One circle represents our Church ministries. These are the ministries that draw others to lean in towards God through a relationship with Jesus Christ. (Worship services, Adult Bible Studies, Children’s Ministry, Youth Ministry.) The other circle is our Real Need ministries. (Food Pantry, Free Health Clinics, Clothing Closet, School Co-Op, Empowerment Housing.) Because we live in one of the most impoverished neighborhoods in all of Ohio and Southeast Michigan, many of our neighbors are in need of the basics like food, clothes and healthcare. If we only focus on the needs side, we become just another social agency without the power to really change someone’s destiny. If we only focus on the church side, we can easily become a noisy gong and clanging symbol. In order to avoid being irrelevant to our community, we are committed to creating both environments at the same time. This allows relationships to be built and trust created allowing us to have a voice in the lives of our neighbors.
