

NCYRA Member Fundraising Requirements

All members of the NCYRA must follow the fundraising requirements to qualify for the 2024 season finals.

Not meeting these requirements will forfeit points and rodeo count for future rodeos, until the fundraising requirement is met.

Once the requirement is met, from that point forward, points and rodeo count will start to accumulate again.

The Board of Directors is working on scheduling fundraising events of the NCYRA 2024 season. We ask that members participate in these events once scheduled. These are a great way for the parents and members to participate and have a good time.

The fundraising requirement for the 2024 season is to obtain \$250 in sponsorship money. This could be one sponsor or several as long as they equal the \$250 obligation of the member.

The member that brings in the most sponsorship money will receive a \$300 gift card to Boot Barn!!!

The sponsor you obtain will be announced at each rodeo you enter. Giving the recognition to the sponsor all season long whether your sponsor is a business or Mom and Dad.

Have the sponsor fill out the following form and turn it in to the Rodeo Secretary with the sponsor money for it to count towards your fundraising goal.

All sponsorship money must be turned in by check in at the May 25, 2024 rodeo.

2024 NCYRA Season Member Sponsorship Form

NCYRA Members Name:

Sponsor Name: _____

Address: _____

Phone: _____

E-Mail: _____
