TOURNAMENT  
OF CHAMPIONS  
PROGRAM***

Welcome to the 27th Annual Greater Iowa Scholarship Bowling Tour Tournament of Champions. Today's event, a Mother's Day tradition since 1994, represents the culmination of an exciting 2018-2019 GISBT season. We congratulate each player for qualifying for this season's Tournament of Champions.

Today's 36-player starting field is comprised of the 24 boys and 12 girls who have earned their invitation into today's event by virtue of their season-long performance in GISBT competition.

We are proud to have High Five Lanes welcome us for the first time. High Five will be the 7th different bowling center over the past 27 seasons to host the Tournament of Champions. We appreciate the hard work and dedication of the entire staff who today welcome the finest young bowlers in the Midwest.

Today, 24 bowlers are returning to the Tournament of Champions, while a dozen competitors are making their first-ever Tournament of Champions appearance. Today's starting field represents 7 states (Iowa, Illinois, Minnesota, Nebraska, Wisconsin, Ohio and Indiana). There are 17 past GISBT champions who have combined their talents to win 50 tour titles, and the 36 players have qualified for a whopping 317 match play finals during their careers.

Today's opening ceremony will begin with our traditional role call of all competitors, and will be followed by our award presentations, including Bowlers of the Year, All Star Teams, Rookies of the Year, Most Improved Bowlers, and Rising Star Award winners.

Today's ceremonies will also feature a tribute to 10 tour veterans who will be competing in their final GISBT event – Braxton Coble, Kayla Crawford, Skylar Delano, Alex Denton, Anthony Dodge, Blake Eldridge, Michaela Kelly, Tanner Peeler, Jackie Peters and Jake Weber. These players have left an unforgettable imprint on the GISBT, and we wish them well as they graduate from GISBT competition.

The GISBT provides an incredible opportunity for the Midwest's finest scholarship competitors each month. Since 1992, our tour has provided a competitive yet fun atmosphere where the very best and brightest young bowlers have made their mark – on the lanes, and in the friendships they've made during their careers. We look forward to continuing this tradition for many years in the future.

Once again, this year's Tournament of Champions promises to provide exciting competition among the GISBT's top performers. Good luck to each competitor today!
