

## On the Journey Retreat Series

### Suggested Floor Plan

We recommend this floor plan to create a sacred circle around the prayer table (Christ). This gives participants a table to write on during the retreat and a place for coffee, etc. The number of tables depends on the number of participants. Facilitators sit where they have eye contact with each other and where they can also see and hear when a participant needs clarification or support understanding the process. The facilitators work as a team.
