The Art of Interior Decorating Titus 2:11-14

There is no better description of the Christian life than "interior decorating." Eternal life is only the beginning. The salvation that God gives us not only saves us from hell, but also transforms us.

What does God's grace teach us?
11 – To a the grace of God - Though He was rich He became poor (2 Cor 8:9) - Grace, unmerited favor, changed for our benefit - Jesus was the grace of God come in the flesh, appeared - We should allow him to change us, sinner to saint, saintly
12 - To a God's grace to teach us Lesson one, just say - Grace does not allow us to say yes to everything - Jesus said no to Satan temptation - Denying ungodliness - Denying worldly lusts Lesson two, say - Live soberly - consequential living, reap what we sow - Live righteously - morally right, right and just - Live godly - devoted to God, God fearing
 13-14 – To always be r for the Lord's r No greater incentive for Christian living than the second coming "Redeem" means to purchase out of slavery "Peculiar" purchased people, a purified people, and a practicing people, zealous of good works.
Jesus gave Himself for us (grace); the least we can do is give ourselves t Him and live Christ-honoring lives until He comes.
Do you thank God each day for his unmerited favor (grace)? Are you allowing God to teach you When to say "yes" and "no?" Does the return of Christ affect the way you live every day?
15 – This truth is to be taught without apology. Allow God to change yo from the inside out.
