

## **AGENDA**

### **Community Workshop #2: Alternatives**

Grand Ballroom at the Diamond Bar Center

Thursday, October 19, 2017 | 6:30 – 8:30 PM

1. Sign In and Activity #1: Where Do You Live?
2. Welcome and Introduction
3. Presentation of Land Use Alternatives
4. Activity #2: Small Group Discussion
  - The three Alternatives share many similarities, with the main difference being the location of the proposed Town Center. Thinking about all three Alternatives taken together, what do you like and what do you have reservations about?
  - What do you think about the location of the Town Center in each Alternative (both generally, and with regards to the conceptual maps/ building types presented)? What do you like or dislike about each one? Do you see any advantages or disadvantages for any of the Alternatives?
  - In considering the Alternatives, what are your main priorities? Which types of impacts do you care about the most?
  - What types of uses would you like to see at a new Town Center? Think about retail, restaurants, housing, hotels, public parks/plazas, and community buildings (such as a teen or senior center).
  - Is there anything you would change to improve one or more of the Alternatives?
5. Groups Report Back on Activity #2
6. Wrap Up
