

Belfi Brothers Safety Committee

October 30 2019 Meeting Minutes – 11:30 PM.

Attended by:

Stephen J Belfi - Chair

James W. Ingram – Vice Chair, Management Representative

Carlos Merced – Shop Representative

Vince Angelus – Field Representative

Old Business:

Reviewed meeting minutes from last meeting.

Warehouse door still not fixed.

Bringing out plumber to look at drain in garage.

New Issues:

3rd shanty entrance needs either leveling or new concrete. Possibility of using ardex instead of pouring new slab.

Cleanout of back areas has begun. Poison ivy rampant, ensure proper safety precautions are taken.

Razor wire needs to either be replaced or removed at back wall. Melo has already cut himself on it.

Medtex status – checking with Donna

Downspouts and drains rerouted fixed and rerouted where necessary.

Safety concerns:

Back roof needs to be either shored up or replaced. Preferably done before winter so snow loads are not an issue.

Next meeting: November 20 or 27
