Old Business:

Fundraisers

We made \$936 profit from the bulb fundraiser and \$673 from the meat fundraiser for a total of \$1609.

It was recommended that it be discussed with those involved in the grad fundraiser that we ask for them to not copy our fundraisers as it makes the Fund Raising efforts of parents for Hay Lakes ECS suffer and it's not fair.

New Business:

School Council Report

Mellissa Nordin reported that Battle River will be covering most of the cost for the installation of the swings and School Council will be paying the rest owed therefore volunteers are no longer needed to set up the new swing set. Also the next council meeting on June 2nd, 2016 there is a secret acknowledgement for Brian Horbay as we say farewell. Everyone is welcome to attend. Meeting starts at 7pm.

Menu and Preparations for Grad

We will be in need of volunteers for set up at 4pm, decorations and food tables at 5pm. Tamara Morris and Lori Steinwand were going to see about bringing BBQ's to cook the supper. Supper will be served at 6pm

Please watch for a sign up list that will be sent home soon, which will cover food needed and help needed.
