

# Breast cancer Lunch and Learn Oct. 16 in Floresville

The Connally Memorial Medical Center will continue its Lunch and Learn series with a breast cancer presentation given by Dr. Rachel Lovano on Wednesday, Oct. 16, at 11:30 a.m. in the hospital at 499 10th St. (U.S. 181) in Floresville.

The event will provide in-

formation to attendees regarding risk factors for breast cancer, as well as proper screening and early detection. Dr. Lovano will discuss the importance of digital imaging in the early diagnosis of breast cancer, as well as treatment of the disease. On Oct. 4, employ-

ees of CMMC donated more than \$1,300 in support of its Digital Mammogram acquisition, scheduled to be completed prior to year's end. The week of Oct. 14-18, the medical center will sponsor low-cost mammograms for women living in its

service area. The total cost is \$50 and appointments are limited. To schedule an appointment, call Michelle Felux at 830-393-1313.

Reservations for the lunch and learn are on a first-come, first-served basis, and space is

limited.

For more information or to reserve a spot, call Lori Marroquin at 830-393-1311.
